Dear Madam or Sir:

My professional association with Mr. Lawrence began during the late 80's. From approximately 1988 until 2002 my contact with Mr. Lawrence was with respect to his capacity, as Project Manager, representing the General Contractor's with whom he had been employed. For the past two years I have worked closely with Mr. Lawrence completing a medical office building and surgery center for Dr. Diane Bowen. In this capacity, Mr. Lawrence was General Contractor as Lawrence General Contracting, Inc.. Additionally, we are working together on two additional projects. Each to be medical facilities located in Brunswick.

In all areas of construction, from the bidding process through the close out of construction and owner occupancy, I have always experienced Mr. Lawrence to be of superior character and professionalism. The Quality Control and Sub-Contractor relationships employed by Mr. Lawrence have been excellent and that of mutual respect. It has been a pleasure working with Mr. Lawrence in the past and I look forward to future projects with him, in his current capacity, as Owner-Contractor.

Please feel free to contact me personally should you have any questions.

Sincerely,

Larry L. Bryson
