To Whom It May Concern:

This letter is written in reference to William M. Lawrence and his credentials as a Project Manager.

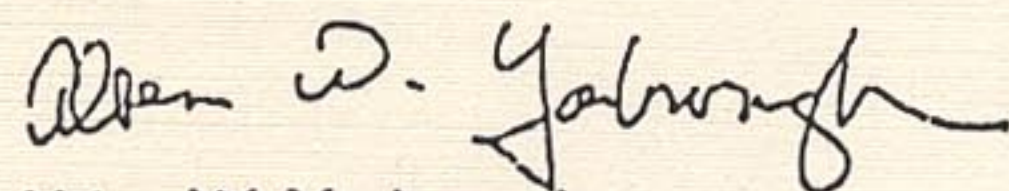

Mr. Lawrence has been the Project Manager for three different jobs for me. The name and amount of each job is listed as follows:

Spanky's Marshside	\$60,000.00
Spanky's Mallside	\$1,000,000.00
Tokyo Joe's	\$1,000,000.00

All of the jobs listed above were completed to my satisfaction. Mr. Lawrence has always handled his projects with the utmost integrity, honesty and skill. I would highly recommend him to manage any construction project.

Please call me should you have any further questions about the suitability of Mr. Lawrence's work.

Sincerely,

Ablen W. Yarbrough  
President
